Correction TD 5

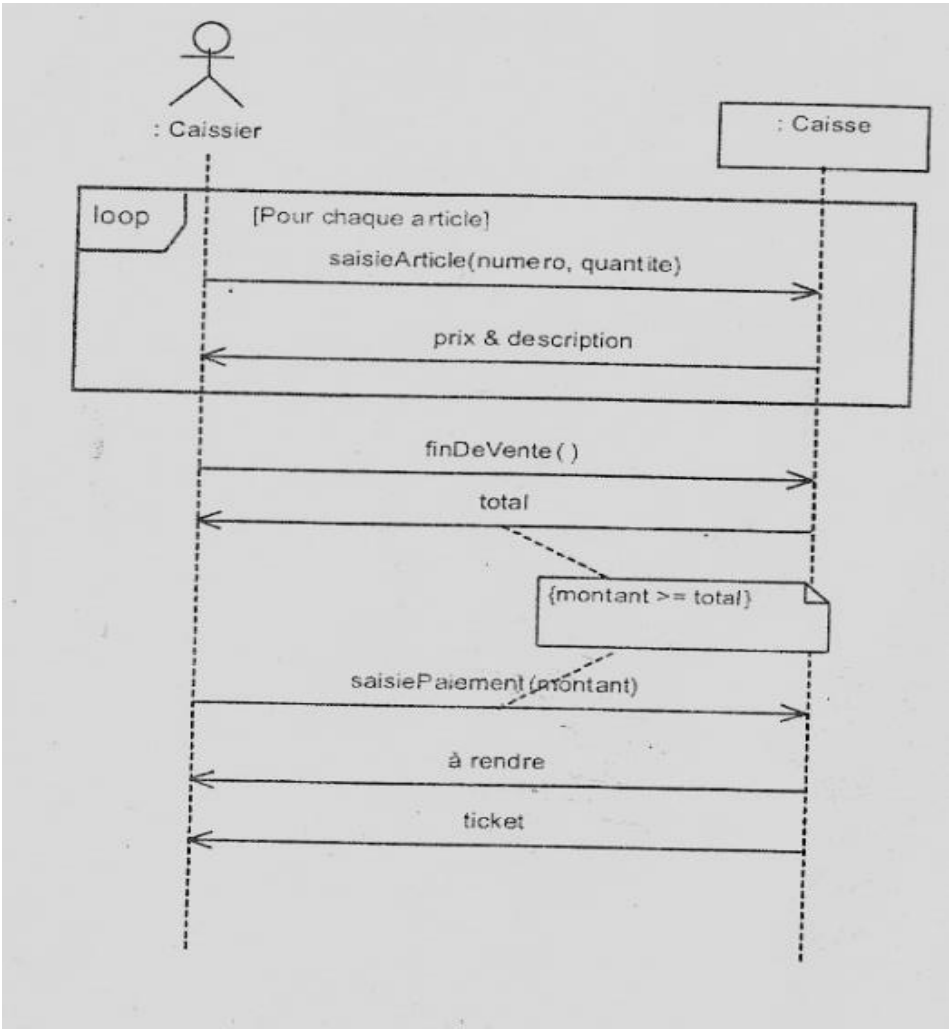

Exercice 1: Caisse enregistreuse

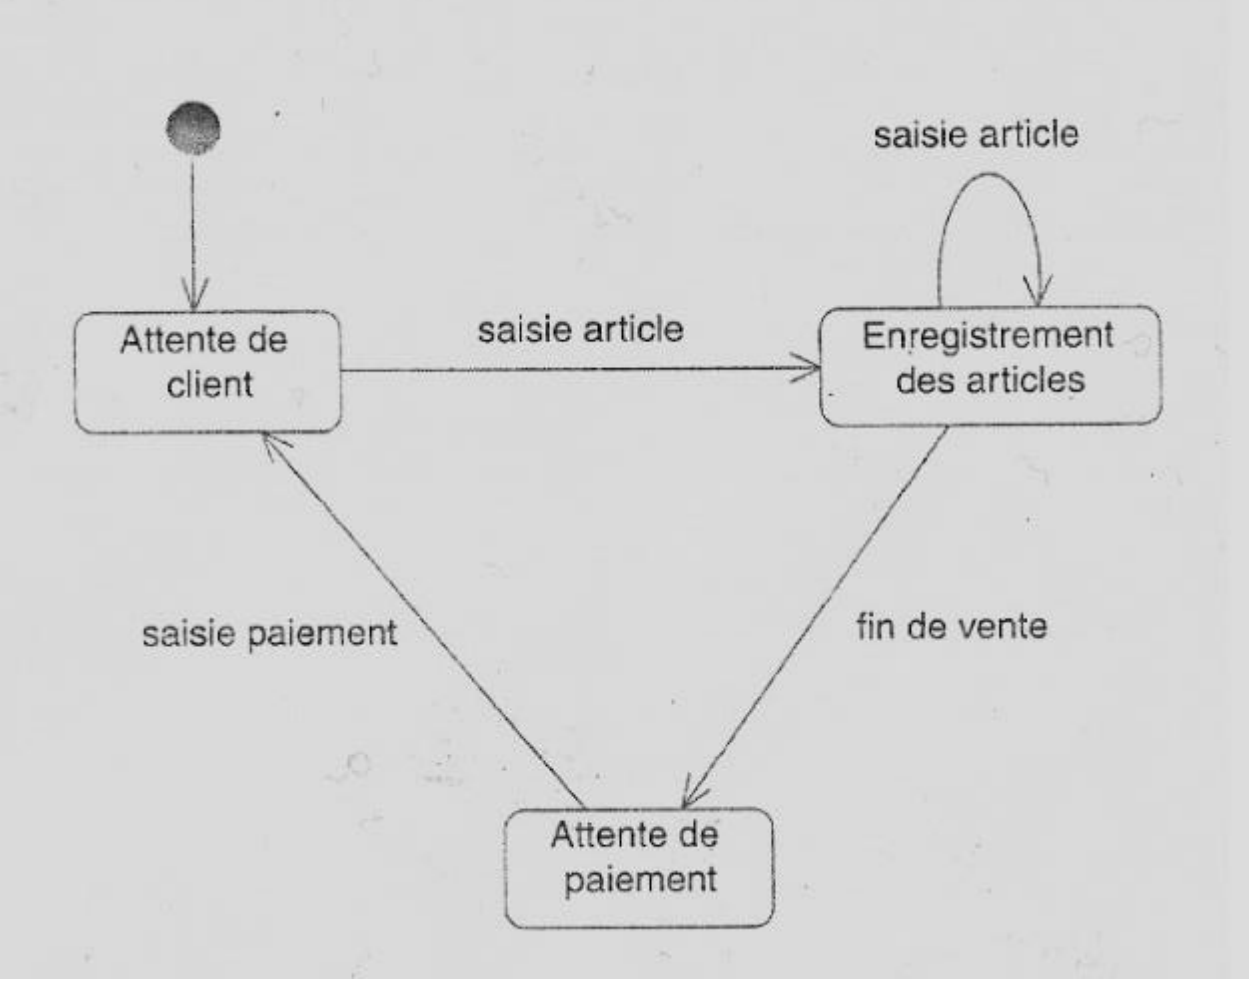

Traiter le passage en caisse :

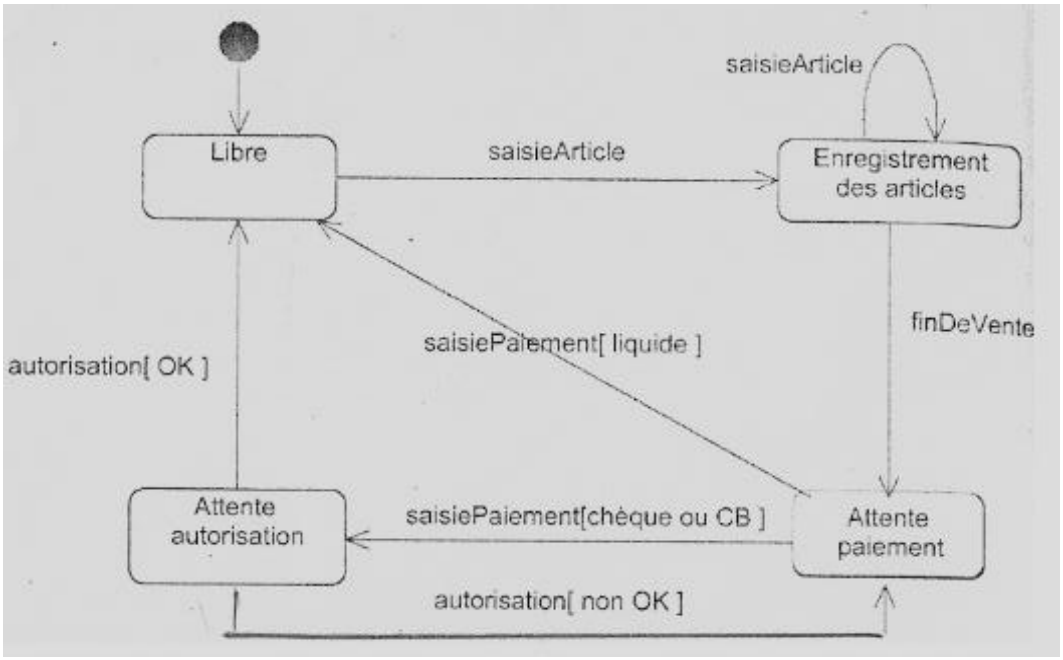

2.

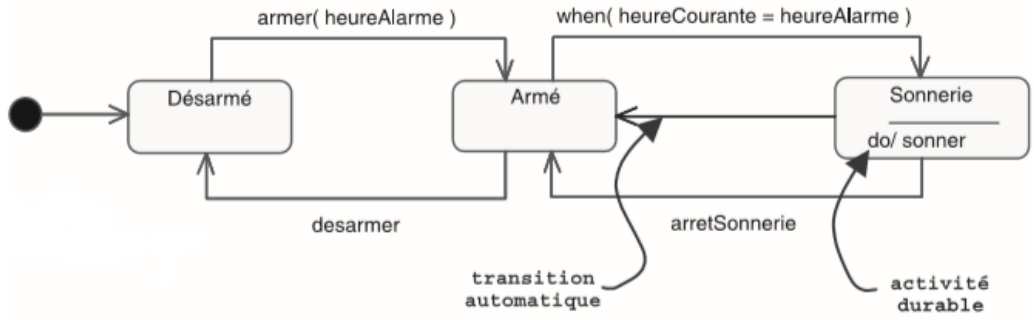

3.

saisie article
Attente de client
saisie article
Enregistrement des articles
saisie paiement
fin de vente
Attente de paiement

Si on tient compte des différents types de paiement, le diagramme d'états devient légèrement plus complexe.

Exercice 2

Exercice 3 : montre à cadran numérique

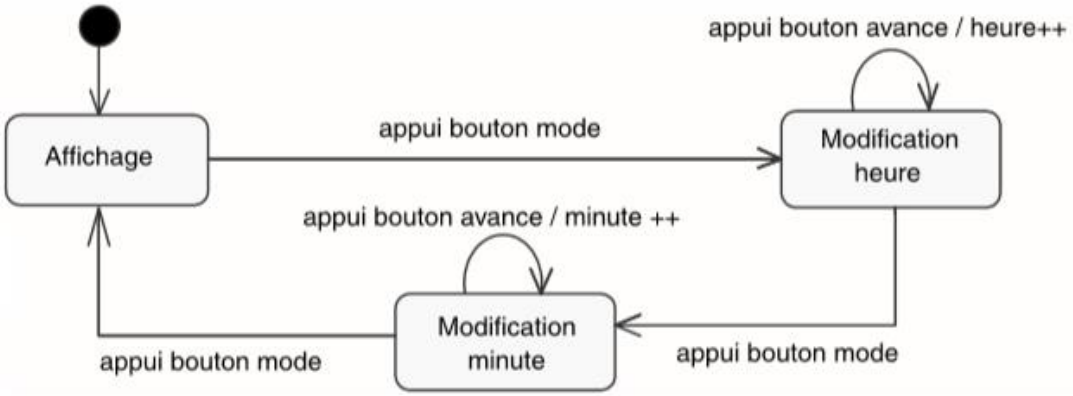

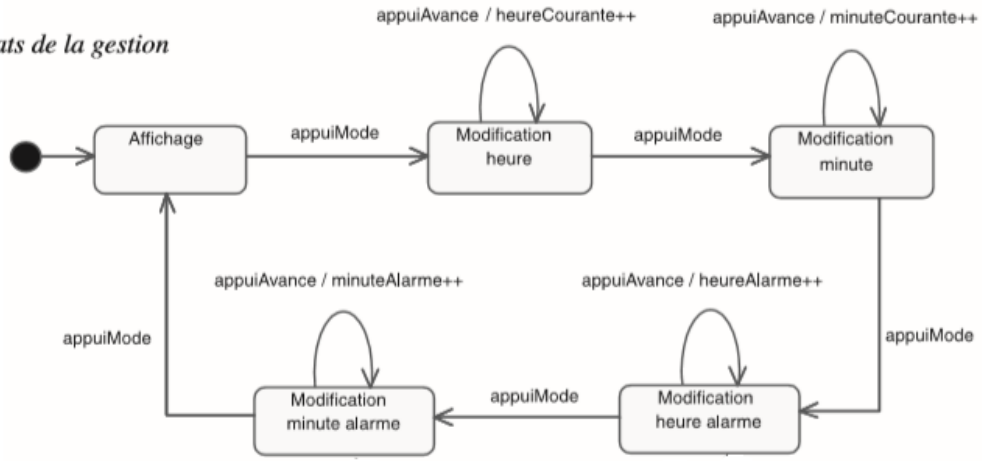

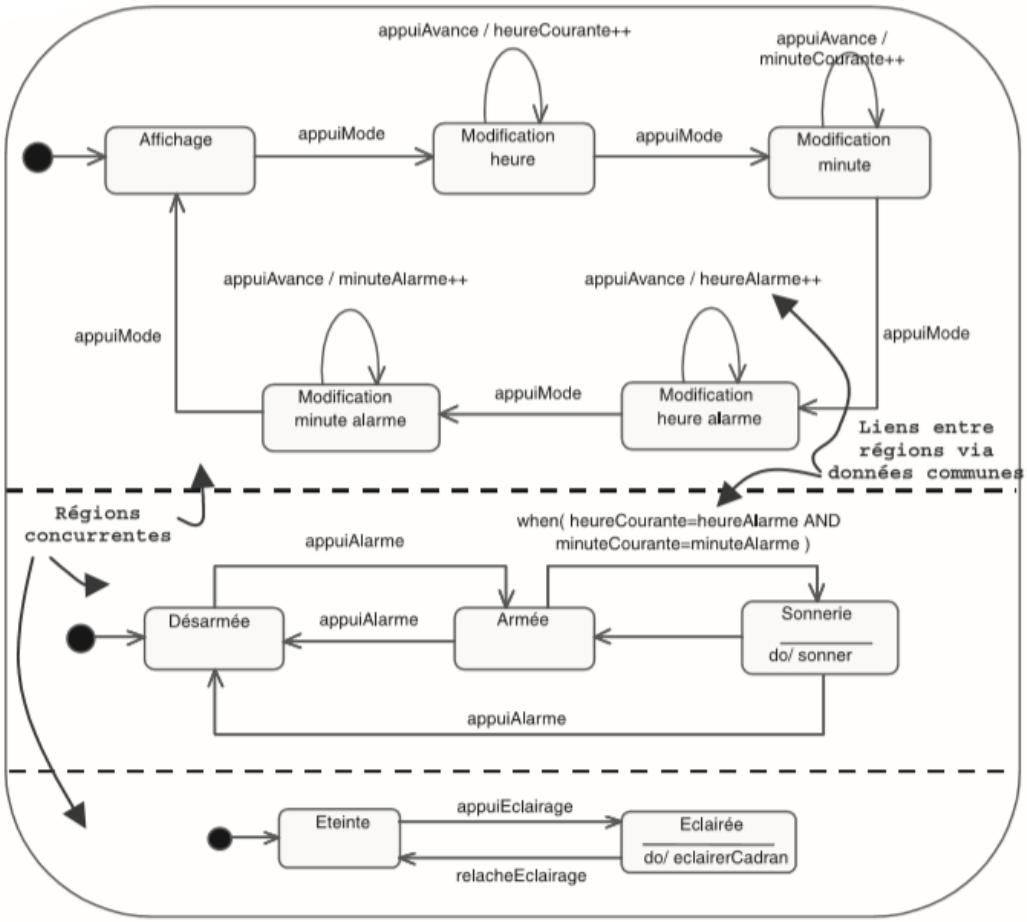

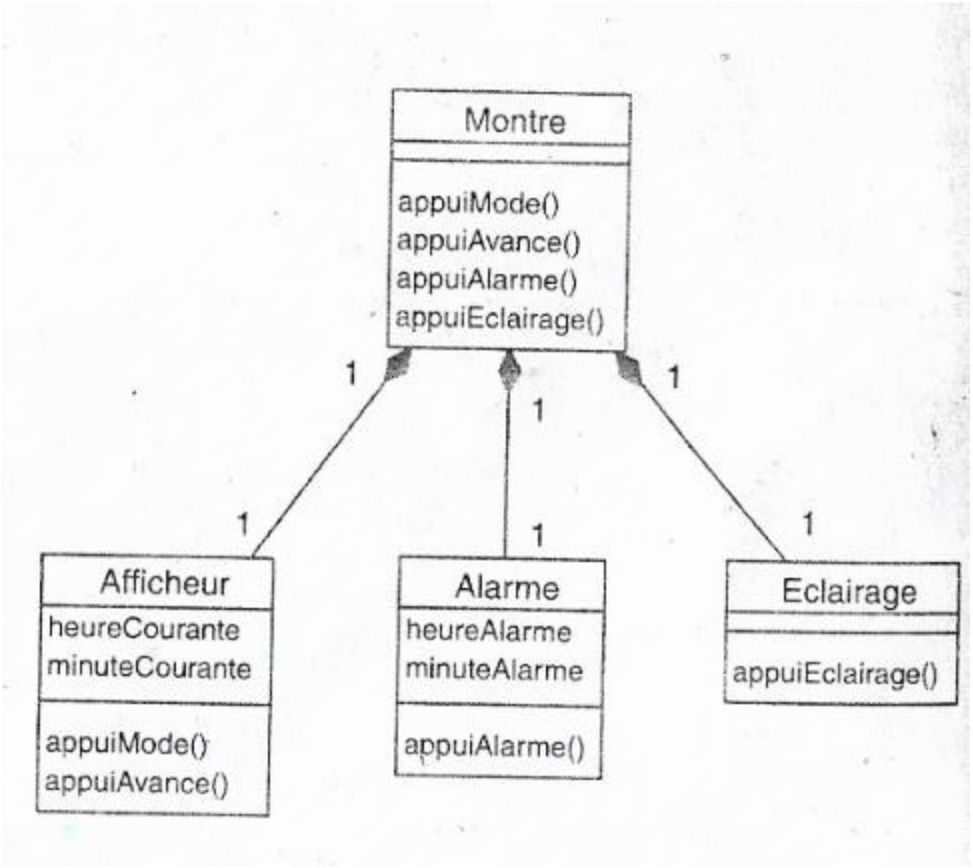

Diagramme d'états de la gestion de l'affichage

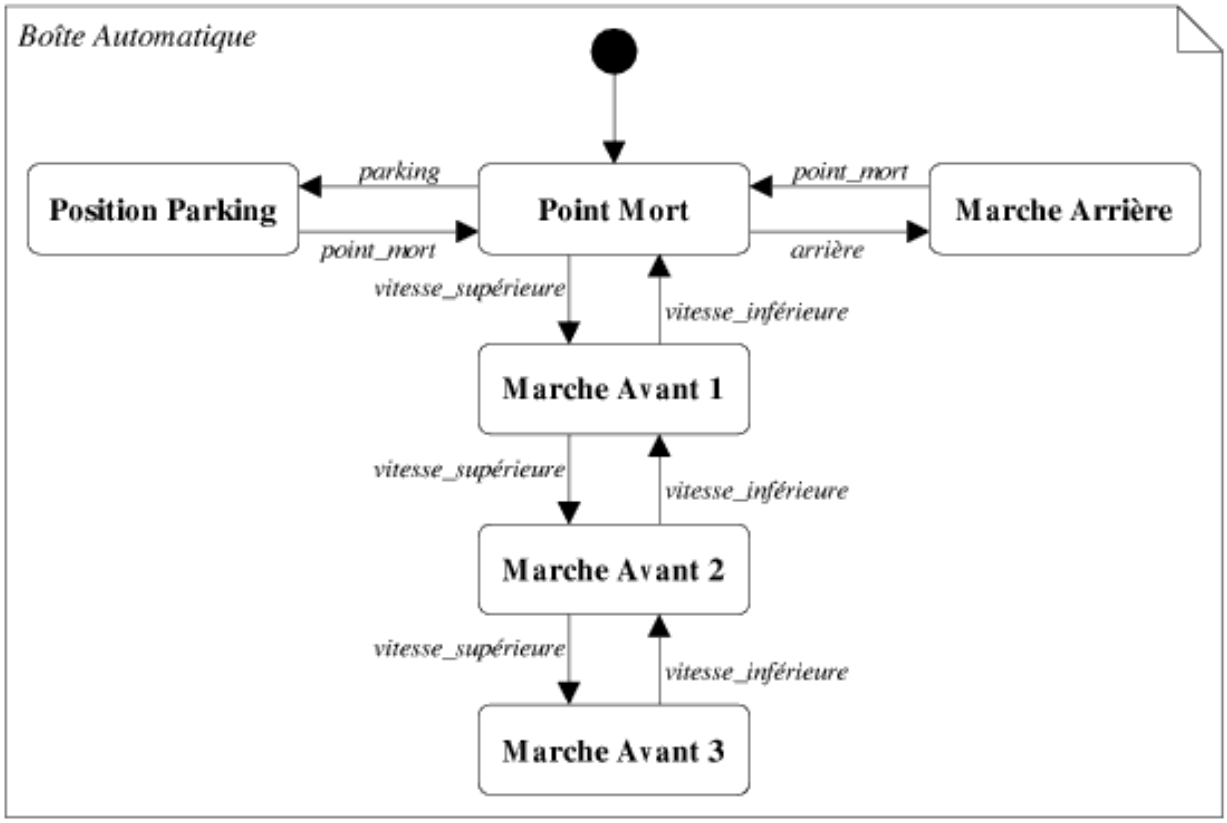

Le diagramme de classes correspondant :
